

Name(s):

Period:

| | |
|--|--|
| Identify the Problem (What do we need to fix?) | |
| Brainstorm (How can we fix it?) | |
| Design & Build (What will our design look like? How will we build it?) | |
| Test & Evaluate (Does it work? What needs fixing?) | |
| Redesign (How do we make it better?) | |
| Share Solution (What is our pitch? Why should people use our solution?) | |
| Reflections (What did we learn in this process?) | |
